Welcome to the world of Fort Hood's Training Support Center (TSC). It is our mission to provide every supported unit and Soldier with the right training support products and services to enhance readiness training.

The Training Support Center offers a wide array of products and services through its several sections to make your training real and relevant.

Level of Service Categories

Products and Services offered at each TSC section are divided into two categories:

1. Standard Level of Service (SLS)

SLS Products and Services are available at no cost.

2. Above Standard Level of Service (ASLS)

ASLS Products and Services are available on a reimbursable basis. *

Units are encouraged to preposition funds into their TSC accounts.

Availability of all TSC Products and Services is determined by available staff and funds.
